

# Del Lago PTA Newsletter

## Welcome to Del Lago Elementary!

Del Lago PTA's 2017-2018 Theme is "PTA I AM!" Our emphasis this year is to involve as many people as possible in our school community. Together we can build a strong learning environment and community.

By joining the PTA, you are supporting local, state and national efforts to improve the education of children and lives of families. You can participate in building new student programs, connect with other parents and stay informed as to what is happening at your child's school. It's only through the participation of families, teachers and staff that we can build a strong school community and give our children the best possible educational experience!

Please join us this year in saying PTA I AM at Del Lago in 2017-2018!
